

# INVEST IN YOUR FUTURE

Because I received a grant through the MPI Foundation's Multicultural Initiative, I am able to continue my education and expand my Italian tours business. The MPI Foundation has helped my dreams become reality.

Through funding visionary research and education, the MPI Foundation touches individual meeting professionals on a very personal level. Whether you are seeking an education grant, participating in MPI Professional Pathways or attending a ROI Platinum Series, your investment in the MPI Foundation prepares meetings professionals for the future.
