Meeting Professional International Rocky Mountain Chapter

Leadership Appreciation Event

Overview

Member Recognition is a part of the Member Care responsibilities. The “Climb the Summit” experience and the Chapter Awards are just two ways to show the members that we value their volunteer leadership. This year in honor of those who have contributed their time and talent to the success of this chapter, the Membership Team and BOD are celebrating our leaders with an event on Tuesday, August 8, 2006 at the Red Rocks Amphitheater, “Film on the Rocks”. It starts with a reception – light snacks/dessert and cash bar at 6:30 p.m. and at 7:30 p.m. headliner band on the main stage will be Angie Stevens. The evening’s film will be the 2005 version of *King Kong*.

Policies/Procedures

The purpose of the event was to thank the chapter volunteers for their participation throughout the year. Committee members/chairs, BOD members, special project volunteers, etc.

Our process for determining the invite list was to have the BOD (VP's and chairs) send me the names and contact info for everyone that ACTIVELY participated on their various committees throughout the year. I then compiled the list and invites were sent. The total list was around 80 different individuals (some on multiple committees).

We didn't have any sponsorship this time around, but I'm certainly hoping for some next year! As for budget, it was somewhere right around \$1200 (venue, food, drink, and movie tickets).

We are making this an annual event to be held at Red Rocks each year at the same time. All information for event can be found on the invitation.
