As the Chair of the committee, the Vice President will work with the Officers to develop an operating budget for the Chapter, and will present the proposed budget to the current Board for approval by May 1.
- 2.2 **REVISIONS:** The next-term Board of Directors may, by majority vote, revise the budget as needed based on the scope of activities and needs of the term. Revisions can be made at any time during the term when approved by the Board. All budget revisions should be recorded in the Board Meeting Minutes and a log of changes kept by the Chapter Administrator for reference and future budgeting.

SECTION 3. RESERVE FUND:

- 3.1 **TERMS:** The term “Reserves” for financial purposes will be defined as funds set aside to be used in emergency cases or in the event of an investment by the Chapter to further its mission.
- 3.2 **RESERVE TARGET:** Chapter will maintain a minimum reserve of 6-8 months operating funds. Operating funds will be defined as annual fixed expenses plus 20%. This timeframe is to be a minimum as it is recognized that external events in the industry, significant downturn in the economy or stock market could make a longer commitment necessary.
- 3.3 The MPI D/FW Chapter will maintain adequate reserves for the following purposes:
 - 1) Unpredictable events which could substantially impact MPI’s operations or revenue streams. While such occurrences are rare, reserves can provide the resources necessary to keep the organization functioning should one occur.
 - 2) Identification of a valuable investment opportunity for long term growth.

While most opportunities are managed through budgeted expenditures, the right opportunity with a significant and dependable return on investment can warrant a decision on the part of the board to access the organization’s reserves.

These investments would require an acceptable ROI back to the organization and should be sustainable long term without the initial reserve support.

- 3.4 **ACCESS TO RESERVES:** The access of the “reserve” shall first be referred to the VP Finance for consideration. Final approval by a majority vote of the Board of Directors is required.
- 3.5 **RESERVE AMOUNTS:** As of January 2016, the BOD agreed by vote that the Chapter reserve minimums should be as follows:
 - 1) No less than \$108,000 in the chapter savings account and
 - 2) \$26,000 minimum in the chapter checking account at the beginning of each term.

These amounts should be reviewed annually by the VP of Finance and the Board of Directors to determine if the amounts are appropriate for the coming year and, if necessary, re-set in accordance with the Reserve Target policy in section 3.2 above.

SECTION 4. REQUEST FOR PROPOSALS:

- 4.1 The Chapter Board and its committees will make good faith efforts to include venues and service providers represented by MPI members in requests for proposals, and to give first consideration to member suppliers. The Chapter reserves the right to choose the supplier which can provide the best value to the chapter based on overall cost and delivery of services.

SECTION 5. REIMBURSEMENT OF EXPENSES OR TRAVEL

- 5.1 TRAVEL EXPENSES: The Chapter maintains policies for reimbursement of qualified travel expenses. See Finance Section 8.9 Travel Expenses. Board members and other chapter members are required to adhere to these policies when traveling on Chapter business.

Member or event attendee emails and phone numbers may not be provided to a third-party for any reason, except for the fulfillment of a specific service to the Chapter, e.g. member directory advertising solicitations or similar services under contract. The vendor must sign an agreement of non-disclosure as part of the service agreement. This email and phone number exception for contracted vendors does not apply to sponsors.
- 6.3 SPONSOR EMAIL DISTRIBUTION: As part of a cash or in-kind sponsorship package, the sponsor benefits may include a one-time email distribution to Chapter members and the event attendee list, if applicable, to be e-mailed by the Chapter to the intended recipients.

A minimum scope of services as outlined below will be included in administrator RFP and contracts. - 7.2
- Chapter Administrators and their support staff will represent the chapter and MPI Global in a professional manner adhering to the Principles of Professionalism Guidelines provided by MPI Global.

Chapter Administrators or paid staff cannot be family or an immediate relative of board members. Family or immediate relative is defined as, Spouse, children, parents, siblings or grandchildren.

Chapter Administrators will work to hold chapter boards accountable to all defined MPI performance standards, policies and Principles of Professionalism. Chapter Board of Directors will support Administrators in this process.

In rare instances, a Student Member may be required to pay the member rate if a discounted rate would cause the Chapter to pay the venue more than what the Chapter would be charging the student to attend, e.g. a networking event with a Chapter cost of \$10 per person and an admission fee of \$10 per person.
- 1.5 ICW OTHER ORGANIZATIONS: Admission prices for any event held in conjunction with other organizations must be approved by the BOD prior to publication.

APPENDIX B – SAMPLE BOARD NORMS

Board Norms

“Norms” are an important tool to facilitate cooperative and productive working sessions among the members of a group of people working together toward the same goal. While they are not designed to dictate personal behavior choices, they are meant to “normalize” behavior of the group in order to serve the best interests of all members.

The following Board Norms are only suggestions of a document to be established by the President at the start of each term and should be practiced at any scheduled meeting of the Board of Directors.

- All meetings will begin at 5:00 p.m. unless the members have been notified of a change of time 24 hours prior to the meeting, or have agreed otherwise in advance. Location and meeting time changes should be posted to the online chapter calendar.
- Out of respect for other BOD members’ time, Board members should arrive before the appointed meeting start time and be prepared to start on time.
- All board reports will be provided to the Chapter Administrator by the time specified, generally no later than 4 days prior to the Board meeting.
- Absences should be reported to the Chapter Administrator in writing prior to the meeting
- Attendance of all members is crucial to the work of the Board. Members should make every effort to attend all Board Meetings unless there is a significant business reason or a personal emergency.
- Each member will be treated respectfully by the other members at all times.
- Any discussions centered on sensitive situations or problems with any individual, either on the Board or within the Chapter, are considered privileged and not to be discussed outside the boardroom.
- Robert’s Rules of Order will be used to conduct all official business
- A member who wishes to have the floor will raise their hand and address the presiding officer (generally the president)
- A timekeeper will assist the members in managing their reports, discussions and motions to a maximum of 5 minutes per opportunity on the floor
- A member who has the floor should not be interrupted, except by the timekeeper
- Members who do not have the floor should not engage in side conversations with another member
- All phone conversations should be conducted outside the meeting room
- A member absent from the room during the discussion of a motion may not enter the discussion once it has begun and should abstain from the vote if they are unclear of their position on the matter
- No committee meetings should be scheduled on Board meeting dates.

APPENDIX C – CHAPTER AWARDS AND POLICIES

CHAPTER AWARDS (REV FEB 2019)

Overview/Awards Committees

The Chapter will have an ongoing awards program to recognize outstanding achievement and contributions made by its members. In rare instances, select non-members may qualify for an award in accordance with these Chapter Policies. The awards that may be given to a non-member are the President's Award, the Chapter Partnership Award and the Spirit Award.

Awards Policy Committee (APC)

The APC is charged with maintaining and overseeing the overall Chapter awards policies, including, but not limited to, policies and judging criteria related to the annual Awards of Excellence nominating process. The APC will be chaired by a past Planner or Supplier of the Year, or a Past President, but not the Immediate Past President. The APC operates throughout the year and should be seated at the beginning of each term.

The APC will be made up of the Chair, at least one Past President (who is not the Chair), at least one Past Planner or Supplier of the Year (who is not the Chair) at least one Past Rising Star Award winner, at least one of the immediate prior year co-chairs of the Awards Nominating Committee and a minimum of three (3) active members-at-large in good standing appointed by the Chair, preferably each a member for 5 or more years. - c) Maintain written records of all past award recipients' names, awards received and the year received, and submit to the Chapter Administrator.
- d) Request quarterly reports from the Chapter Administrator that list all active committee members by department and their respective committees, as well as quarterly reports from the VP of Education & Events which pertain to awards based on points or donations and maintain these records for the benefit of the Honorary Co-Chairs later in the year, e.g., Program of the Year, Venue of the Year, Strategic Partnership of Excellence. These reports are to be held in confidence within the APC committee and are not for general publication.
- e) Maintain forms and guidelines for the nominating, judging and award selection including all award qualification criteria, point systems or other evaluation tools

- f) Provide support to the Honorary Awards of Excellence Co-Chairs by providing updated policies, selection criteria including any scoring methods and judging forms, and other guidelines related to the nomination and selections of award candidates.

*The APC will not oversee or execute the Awards of Excellence event in June of each year, except to verify that awards are given in accordance with these policies. The Awards of Excellence event will be carried out by a Chair and Committee appointed by the VP of Education and Events.

Revisions to the Award Policies may be made by one of two methods:

- 1) By a recommendation originating with the APC, submitted to the VP of Leadership for inclusion on the BOD agenda, and receiving a 2/3 majority vote from the Board of Directors on the recommendation as written.
- 2) The Chapter Board of Directors may submit recommendations to the APC for policy review after a 2/3 majority vote of the BOD to submit the changes to the APC. The APC will have a reasonable time of up to thirty (30) days to a) return the recommendation to the Board as submitted, b) return the recommendation with suggested modifications or c) recommend no change in policy. When recommendations are returned as submitted, no further vote is required by the Board. The change has become Policy. When recommendations are returned with modifications, the Board may vote only to accept or reject the APC's modified recommendation. If rejected, the Board may submit alternate recommendations at any time as approved by a 2/3 majority vote of the Board. For any revision, should the APC not respond to the BOD within the thirty (30) day time frame, the BOD may vote to amend the policies as approved by the Board.

The APC's authority is limited to policy review and recommendation as outlined above. The Chapter Board of Directors has authority over policy and any revisions, but is required to follow these revision policies when voting on policy changes.

Conflicts of Interest

When determined that a conflict exists, the Chair and/or VP will require that the conflicted member remove him/herself from committee service. More specifically, the vendor selected to provide awards is not

permitted to serve on the APC or ANC.

APPENDIX E – BOARD OF DIRECTORS NOMINATIONS POLICIES AND PROCEDURES

General Information

It is recommended that the Nominations Committee strive to slate a balanced mix of planners and suppliers on the incoming BOD. However, the charge of the committee is to slate the most qualified candidates into the positions to be filled, regardless of planner/supplier status. The Nominations Committee is to carefully consider each nominee for the various leadership positions within the MPI D/FW Chapter, not just the position applied for by the applicant. Criteria should include the types of skills and talents each would bring to the Board, involvement with the Chapter, recognition of the time commitment involved in a leadership role and the necessity of the nominee's employer's support.

Eligibility/Ineligibility Requirements for Office:

Eligibility:

- Any Premier or Preferred member in good standing of MPI whose primary affiliation is with this Chapter may be considered for office.
- Student, Affiliate, Essential Members and Global employees do not qualify as Chapter BOD members.
- Nominees must consent to serve the Chapter for the nominated position and abide by the policies outlined for the position.
- Written consent of the nominee's employer is required prior to that person's name being publicized as part of the proposed list of board members by the Nominating Committee.
- Nominees must submit biographical information by the published timeline.
- These individuals must be committed to helping the Chapter membership grow via its committee activities and through the development of new, active members. Board members must attend monthly board meetings and serve as advisors to assigned committees.

Ineligibility:

No two persons, or more, may serve on the BOD who are related by blood or marriage. No two persons or more may serve on the BOD who are employed by the same company or who represent the same brand. If either situation occurs, the Board members must disclose this information to the BOD immediately and one, or more, of the persons must resign from the Board.

All seated Board Members shall maintain their Chapter/MPI membership in good standing. Should a Board member drop their membership or be dropped from MPI membership due to a failure to renew, have their membership revoked by MPI, or no longer be a member in good standing for any other reason, they are no longer eligible to serve on the Board.

Board Of Directors Nominations Policies

The Immediate Past President will serve as Chair of the Nominations Committee. The President-elect and VP of Leadership also serve on the committee with voting privileges, except that, if the VP of Leadership is applying for a Board position in the coming year, that person may not serve on the Nominations Committee. The President appoints the remaining committee members who are Chapter members, not on the BOD, to assist with the slating of Officers and Directors for the coming term.

Nominations Committee members will represent all facets of the membership equally, be a member in good standing and be someone who is active and familiar with Chapter activities. No more than three of the Committee members will serve more than two years consecutively. No member of the Nominations Committee will be eligible for election. The Committee will operate in accordance with the Chapter Bylaws and Policies.

Committee duties include and are not limited to:

- With assistance from Board members and the President-elect, actively solicit and encourage qualified candidates to apply for the Board.
- Establish and publish a nomination and election timeline that gives specific dates related to the activities below. Once firm dates are established, the Committee will publish this information in detail on the Chapter website, via email and other Chapter media outlets. Refer to Succession Timeline below.
- Create an application and make available to Chapter members via the Chapter website. In addition, a call for volunteers should go out to all members via email.
- Receive and process the applications. The offices of President and Immediate Past President have been pre-determined.

All information concerning nomination and election procedures will be publicized on the Chapter's Web Site.

Suggested Succession Planning Timeline:

March 1st – Slate due to International on the approved slate template provided in CLRP. PE welcomes and invites new board to attend CBS in April and retreats following as determined at the local chapter level. New leaders should be encouraged to attend remaining board meetings and committee meetings.

April – Select board members to attend Chapter Business Summit (CBS) in Dallas. Ensure attendees are required to do a recap and action items from CBS takeaways to board at retreat.

April - May - Outgoing Board member introduces committee to their successor and engages committee to support new leader. Be sure to invite new board member to committee meetings as soon as slated. Transition meetings or best practices should be implemented prior to retreats. Consider building out retreat goals and presentations as incoming and outgoing team together.

June/July - Successor to send out an introductory e-mail or letter to existing committee. Highlight any changes to committee meetings and/or future plans. Thank them for staying. Committee structure should be in place prior to July 1st and have solid plans/budgets to begin working.

July/ Post Retreat – Determine who is responsible within your chapter to update your committee descriptions and maintain to help promote your committee to potential volunteers. Ensure there is a plan for recognition and thanking volunteers throughout the year.

July – Past President/PE/President prepares nominations/succession committee per bylaw requirements. Committee will be tasked with growing and mentoring potential leaders all year as well as new slate in April. Will work closely with PE throughout the year. All committee members should have a full understanding of what leadership skills your board requires and should be considered leaders within the community. CBM's recommend the full succession leadership training for your nominations committee and are happy to assist in scheduling those.

November/December - VPs and Directors to begin identifying potential leaders on committees who may have an interest in future Board service or other leadership role. Work with those potential leaders to identifying training needs to prepare for leadership over the next 6 months.

December – President Elect to conduct 1 on 1's with all current Board members. Discuss how they are doing, determine leadership career within MPI moving forward and mentor needs if any. This is a wonderful opportunity to open the door on any concerns as well.

December – Past President to disseminate the Candidate Data and Interest form along with Job Description to committees and entire membership. **Forms to be completed and returned to Past President by end of January.

January - Past President will compile all forms and submit to nominating committee (along with member nominations) for review. Membership status of all potential board members will be reviewed. Past President and Nominating Committee to conduct phone interviews as needed. Present slate to board for approval by January board meeting.

February - final selections submitted to membership per guidelines provided for elections. Please note, you need to allow 30 days for membership to vote.

March 1st– Board Slate due to MPI Headquarters (earlier submissions allows for pro-active transitions and training)
