

CHAPTER HAPPENINGS

May 2019

Message From The President

Martin Luther King once said, "Everybody can be great...because anybody can serve. You don't have to have a college degree to serve. You don't have to make your subject and verb agree to serve. You only need a heart full of grace. A soul generated by love."

This statement resonates with me, especially this month when I will be experiencing so many opportunities to serve in the MPI D/FW Chapter.

I am spending this weekend with the 2019-20 Board of Directors. We will be planning for our next year in the chapter, while bonding together to walk into the future. I am so excited to get to know all of these fabulous people more and learn their goals and vision for the Chapter growth. I am especially proud to step back and watch Tuula shine as the Incoming President.

I hope you will join me for our May activities that give you a chance to serve –

- On May 17th, we will be going to Austin Street Shelter to serve their tenants, with the help of G Texas Catering. I have been volunteering at Austin Street Shelter with my church since 2004. This year, my son was given the opportunity to feed the people at Austin Street with his class and he has embraced this opportunity, signing up each month for this experience. I have seen such a change in him, especially when he returns home from the shelter with a new appreciation for the blessings in his life. I will have my children there, front and center, and I hope you will take this opportunity to do the same.
- On May 21st, we will be celebrating you, our volunteer members. Read more [here](#).
