For partnership opportunities specific to the Annual Conference & Expo (ACE), please refer to the ACE Partnership Opportunities document.

MPINCC 2018-2019 Chapter Partnership Opportunities Descriptions

Professional Education Program Sponsor

The chapter offers four professional education programs during 2018-2019. The length and format of each program differ slightly, but all programs include an educational component as well as a networking reception. Most education programs also include a 30-minute *MPI and Me: How to Make the Most of Your Chapter Membership* session, a time for new and prospective members to learn more about the MPI, the chapter, and the many benefits of membership.

CMP University (CMP U)

Serious meeting professionals sometimes choose to pursue the CMP designation (Certified Meeting Professional) and MPINCC is there to help one prepare for the CMP exam with CMP University, 10-session program spanning six months. Through sponsorship of CMP U, your brand will be in front of attendees for not just one single event, but on 10 occasions over a half-year period. The brand exposure on the chapter website events calendar alone over these 10 dates is significant. Lock in your brand recognition with these meeting professionals (who could bring you your next piece of business) with this invaluable partnership opportunity. *Attendance at CMP U averages 30.*

Nothing but Networking

As the name implies, this event is all about networking, a time for attendees make valuable business connections in a fun, relaxed setting. Often, an activity such as bowling, ping pong or bocce ball is the focal point of the event. It's the perfect combination of physical fun and relaxed conversation that becomes the basis for strong industry relationships. *Attendance at Nothing but Networking averages 120.*

MPINCC Special Events:

Holiday Event

MPINCC finds the sweet spot of holiday revelry with a Holiday Event that occurs in late November – soon after Thanksgiving, but well before the rush of holiday parties. This year's event is sure to be a winner. The MPINCC Community Involvement committee will partner with the event committee on a meaningful activity that gives back to our local community. Also included in this event is the ever popular grab bag raffle. *Attendance averages 150.*

Culinary Event

The chapter is excited to see what the fourth iteration of the chapter's popular culinary event will look like this year. Previous culinary events have featured an exciting and tasty food and wine pairing competition in which the attendees are the judges. This opportunity offers superb exposure for the sponsor of this interactive food and wine-centered networking event. *Attendance averages 250.*

Annual Gala

Be the Presenting Sponsor at the crowning event of the program year. The event begins with a 90-minute networking reception and silent auction followed by a seated dinner, annual awards presentation and Board of Directors installation. Typically, an after party rounds out the evening. *Attendance averages 350.*
