Committee budgets will be prepared by the Vice President of Finance in April and presented to the Board for approval on or before June 30th.

The incoming Vice President Finance, who has actual budget responsibility, shall have the opportunity to review and revise the budget with the current Vice President of Finance. The current Vice President of Finance has the primary responsibility for

No payment will be made without an invoice or check request and receipt for purchase.

Invoice should indicate the Chapter as the purchaser using the Chapter name and address. The Director will forward the signed form to the Executive Director. If necessary, the Executive Director will discuss the request with the Vice President of Finance and/or the President before approving.

All bills must be closed out in one month.

The chapter authorizes the use of a credit card to the Executive Director

A single signature on the chapter's check is allowed with authorization given to the President, President-Elect, Vice President of Finance and the Executive Director not to

SECTION 3. RESERVE FUND:

- 3.1 **TERMS:** The term “Reserves” for financial purposes will be defined as funds set aside to be used in emergency cases or in the event of an investment by the Chapter to further its mission.
- 3.2 **RESERVE TARGET:** Chapter will maintain a minimum reserve of 6-8 months operating funds. Operating funds will be defined as annual fixed expenses plus 20%. This timeframe is to be a minimum as it is recognized that external events in the industry, significant downturn in the economy or stock market could make a longer commitment necessary.
- 3.3 **PURPOSE OF RESERVES:** All chapters are required to provide policies for the purpose of their reserves. These policies should include but are not limited to; when is it acceptable to use funds, any procedures for using funds associated. Policies should reflect that reserves are used in emergency cases and in the event of a major investment in membership. A sample policy is provided for you.

MPI Arizona Sunbelt Chapter will maintain adequate reserves for the following purposes:

- 1) Unpredictable events which could substantially impact MPIAZ’s operations or revenue streams. While such occurrences are rare, reserves can provide the resources necessary to keep the organization functioning should one occur.
- 2) Identification of a valuable investment opportunity for long term growth.

While most such opportunities are managed through budgeted expenditures, the right opportunity with a significant and dependable return on investment can warrant a decision on the part of the board to access the organization’s reserves.

These investments would require an acceptable ROI back to the organization and would be sustainable long term without the initial deemed reserve support.

- 3.4 **ACCESS TO RESERVES:** The access of the “reserve” shall first be referred to the VP Finance for consideration. Final approval by a majority vote of the Board of Directors is required.

SECTION 4. REQUEST FOR PROPOSALS:

Approved travel expenses to CBS or WEC for the Executive Director and Board members will include airfare, transportation costs to/from the airport or cab rides, room and tax, conference registration and a per diem equal to the current Federal per diem for Food and beverage (only if that meal is not provided by the group or by the conference). Expenses that are not covered include car rental, laundry/dry cleaning, mileage, health club, personal items such as lost luggage/room movies/gifts and personal gratuities such as bellman/doorman/ housekeeping.
