experience with MPI-GCC

MPI GCC has an action packed evening planned at the Calgary Zoo! The evening will kick-off with a behind the scenes tour with the lemurs – immerse yourself in the lemur habitat and discover what lemurs do best: play, groom, leap between trees, search for leaves to eat and soak up the sun! Following our visit with the lemurs the group will enjoy a special guest speaker and some food and beverages at Grazers – a licensed and catered private event space at the Calgary Zoo.
