## MPI GCC Mentorship Program for 2017-18

Hello MPI-GCC Membership!

We are pleased to announce the return of the MPI-GCC Mentorship Program for 2017-18. Following the success of last year's program, we are even more excited to provide this service to our membership once again this year.

For those unfamiliar with the program, we will match interested Mentors with Mentees across our membership. There are no hard and fast rules to who a Mentor or Mentee is or can be – young or old, new to the profession or a seasoned veteran, having worked in many fields or focused on one single area – we encourage anyone with the initiative to teach or learn to enroll!

If interested in participating, please complete the online questionnaire form: <http://mpi-gcc.org/survey.php?id=12>

Best regards,  
**Adam Thomas**  
**2017-2018 VP of Membership**

FINISH THE RACE ATTITUDE

ILEA Calgary is excited to celebrate the holidays with you at our upcoming ILEA Connects event on **Thursday, December 7th**. Join us as we take an evening to unwind during this busy season and embrace a dose of enlightenment by Martin Parnell as he talks about "Ordinary to Extraordinary: Changing lives one step at a time". In the spirit of giving, ILEA Calgary would like to help change lives "one pair of socks" at a time by holding a Sock Drive at the event. Attendees are invited to bring a new pair of socks with them to the event in support of the Calgary Drop-In & Rehab Centre. Last year, you helped us contribute 400 pairs of socks to the centre! We hope you will help us come together as an industry and help put socks on the feet of many of our fellow Calgarians.
