# MPI GCC Supports Meetings Mean Business Canada

## MPI GCC Expresses Support for Meetings Mean Business Canada

**MEETINGS  
MEAN  
BUSINESS**

---

**CANADA**

MPI Greater Calgary Chapter is excited to announce that it will support this growing coalition of senior industry executives who believe in the power of a single advocacy voice for the Business Events industry in Canada.

The Business Events Industry Coalition of Canada (BEICC), founded in 2009 to advocate on behalf of the Canadian meetings industry, is the first to execute the MMB licensing agreement and has now rebranded as Meetings Mean Business Canada (MMB Canada). The MMB Canada board is actively reaching out to key industry stakeholders across all sectors of the Canadian Meetings Industry to transform the coalition into a proactive, well-funded advocacy movement with strong connections to federal, provincial and municipal governments. # 2017-2018 Board of Director Nominations Now Open

**Come on board and take your career to the next level!**

January is the time to set new goals and to aim higher in your career development. It's a great time to join the MPI GCC board!

We are seeking candidates for the 2018-2019 Board of Directors. We welcome candidates from all areas of the industry, but only members of the MPI Greater Calgary Chapter can serve on the board. **Nominate yourself or a peer online before January 22!**

For more information, contact Stephanie Barkley, at [pastpresident@mpi-gcc.org](mailto:pastpresident@mpi-gcc.org).
